

THE
PLEASURE BOATS

DINANT EVASION

Pleasure boats rental

2024

Novelty enthusiast ?

Take a boat trip with a licence-free pleasure boat and discover an innovative way of travelling, with the Meuse as your only holiday route...

With family or friends, answer the call to escape!

3 AVAILABLE PLEASURE BOATS

Our boats **Margaux (4 people)**, **Heloise (5 people)** and **Lorraine (7 people)** open the doors of their cabins for a timeless moment. Furnished like small apartments, all have bedrooms, one or more shower rooms, a toilet, a fitted kitchen and central heating.

3 RENTAL OPTIONS

Rent one of our boats for a **few hours**, let yourself be led by our skipper and enjoy the moment. Or set off on your own on the Meuse **for a day*** full of emotions, or **several days*** for a complete disconnection!

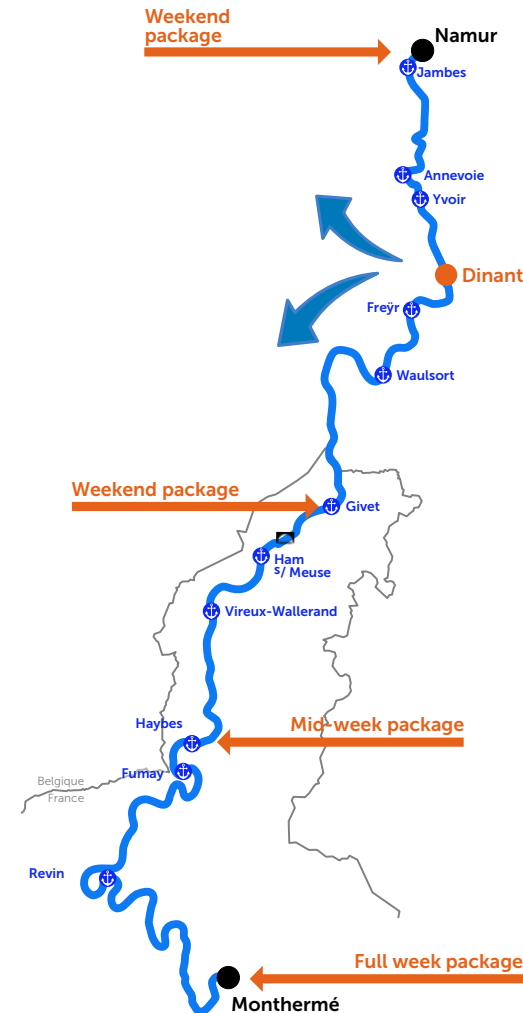

NO LICENCE REQUIRED, TAKE THE HELM OF A PLEASURE BOAT

Have you chosen to rent for a day or more ? Excellent choice, though before setting anchor, a little training is required.

Our boats do not require to hold a license and sail at a maximum speed of 10km/ h, **however a 2-hour training to familiarize you with the boat and introduce you to navigation on the river is mandatory before each rental.**

Once done, the river Meuse is yours !

Two possible routes:

Belgium itinerary*:

Day | Weekend

Towards Namur, the banks are marked by an abundant urban life and nautical activities. Particularly varied, the landscapes alternate between wooded hills, mosaic villas and urban spaces leading you to the heart of the city of Namur.

France itinerary:

Day | Weekend | Mid-Week | Full week

On this side the river finds a more primitive bed. The banks become natural again, the passages narrower.

Beyond Givet, the atmosphere changes and becomes more intimate, for a real feeling of escape and relaxation, a thousand leagues from everyday life.

In both directions ...

After the first manoeuvres, the beauty of the landscapes and their serenity will inevitably immerse you in a truly relaxed and rejuvenating atmosphere.

All ports indicated on the marked route (Ⓜ) are equipped to welcome you in the best conditions: electricity, refuelling and supply points, etc.

Do not hesitate to ask for additional information, we will be happy to help you choose the route that best suits your travel wishes.
